Georgian Bay Coyotes Track Club

Tryout Criteria & Temporary Membership

Due to the COVID-19 Pandemic and Public Health Guidelines the Georgian Bay Coyotes Track Club is limiting the number of athletes that can train and compete as members of the Coyote track club. Therefore we have the following tryout criteria, which must be met in order for your athlete to join, train and compete with our club. We would like to encourage as many athletes as possible (space and public health guidelines allowing) to join our club and it is all our responsibility to ensure that athletes are safe and suited to the training required to excel as part of our club.

1. Athletes must fill out a temporary membership form & pay a $20.00 non-refundable fee before the first tryout.
2. Athletes must attend 3 tryout practice sessions, in order to be assessed for participation in the club.
3. After the 3rd workout, the coach will inform the parent(s) of the athletes status based on the following criteria:
   Running ability
   Attitude
   Coachability
   Ability to focus on tasks and complete workouts
   Respect for coaches and other club members
4. Athletes who cannot commit to attending regular practices & club meets will not be considered for sign-up.
5. Failure to attend or complete regular practices will make the athlete ineligible to compete in club meets.
6. Failure to attend regular practices may result in an athlete not being considered for sign up the following season.

In consideration of your acceptance of this registration, we, the undersigned, do waive and release any and all rights and claims for damages that may be incurred for any injury by the registrant in any club activity.
